

## PUR-LOGICSOLUTIONS ENHANCES PORTFOLIO WITH SAGE INTACCT

### *Platinum Reseller Pur-Logic Solutions Partners with Sage Intacct to Tap Into Growing Market for Cloud-based Financial Applications*

**RICHMOND HILL, ON. (December, 2017)** - Pur-Logic Solutions, a leading technology consulting firm in Richmond Hill, announced a new partnership with Sage Intacct, the innovation and customer satisfaction leader in cloud financial management software. Sage Intacct's cloud-based platform provides businesses and nonprofits with an automated solution to manual, labour-intensive accounting and financial processes. As a Sage Intacct Business Partner, Pur-Logic Solutions will sell, implement, support, and develop enhancements for Sage Intacct's award-winning cloud financial applications.

"We are very excited to announce our partnership with Sage Intacct," said Fay-Ellen Salmonson, President of Pur-Logic Solutions. "We pride ourselves in continually improving our solutions for our clients and look forward to helping them grow and benefit from all that Sage Intacct has to offer."

#### Reasons for Selecting Sage Intacct:

- Sage Intacct scales with companies and accelerate their rapid growth.
- Sage Intacct enables companies to implement best-practice approval workflows for accounts payable, accounts receivable, journal entries and other areas.
- Integrations with Salesforce and other platforms create an innovative, best in breed approach to ERP.

In today's evolving market, Cloud-based software has vastly improved business efficiencies in countless industries. Some of the many benefits of the Cloud system include scalability, real-time access to business data, minimal maintenance and high-level security.
